SKILLS

FRONTEND

- HTML
- JavaScript(Basics)
- CSS

BACKEND

- Python
- Flask
- Fast API

DATABASES

- MySQL
- MongoDB
- SQLite
- PostgreSQL

DEPLOYMENT

- Heroku

TOOLS

- VS Code
- Tkinter

VERSION CONTROL :

- Git

SCRIPTING :

- Shell

EXPERIENCE

Tata Consultancy Services | SOFTWARE ENGINEER

October 2020 - Present | Bangalore, India

- Indulgence in design discussions and development
- Participation in troubleshooting with Implementation team and production ticket resolution
- Worked in multiple teams with varied hierarchies which helped me gain better insight about the enterprise software space.
